

ST.THOMAS OF CANTERBURY CATHOLIC PRIMARY SCHOOL

21st January 2019

Dear Parents/Guardians

Severe Weather Arrangements – with the weather turning colder, I would like to take the opportunity to clarify the arrangements for severe weather conditions. Every effort will be made to keep the School open for everyone but there may be unavoidable circumstances which force a full or partial school closure to occur.

If we do experience severe weather resulting in hazardous conditions, we may be forced to close the School. The normal expectation should be that the School is open.

Once a decision is made to close, we will:

- Post a message on the School website by 7.30am or asap;
- We will update the website regularly to keep parents informed about arrangements for the following day;
- We will inform the local radio stations ([Heart FM/KMFM/BBC Kent](#)) of the school closure arrangements and check <http://www.medway.gov.uk/schoolsandeducation/schoolsandcolleges/schoolclosures.aspx> or www.kentclosures.co.uk

If the School is forced to close during the day, we will immediately post a message on the website and send a message to parents via text/e mail. Local radio stations will be contacted to make announcements.

During any cold weather please ensure that students come appropriately attired with coats, hats and gloves.
